

**What can we do when we realise that our
fighters are being tortured and murdered?
We can at least be their voices in the world!**

Come and be their voice; a people that struggles for rights, equality and freedom in Iran! Come and raise your voice against the entire Islamic government in Iran that, for the past 30 years, has made sure that its people becomes imprisoned and tortured. All the bloodshed has lead to people fleeing the country.

Come and be with us on the 10th anniversary of the student riots against the Islamic terrorist regime in Iran!

When: Thursday, July 9th at 6 pm.

Where: Sergels torg, Stockholm

Organizer: Supporting committee for Iran's people's movement – Stockholm
